(or software you can't live without!)

Here's a list of some tools that I recommend and use in my day-to-day activities, and load onto machines to help clean up and keep your PC running in top shape! Most are free for personal use. Anti-virus AVG-Free <http://free.grissoft.com/> Anti-spyware Spybot Search & Destroy <http://www.safer-networking.org/en/> Anti-adware Adaware <http://www.lavasoft.de/software/adaware/> Network and System Info Utilities SysInternals <http://www.sysinternals.com/>
